## High Street Thurnscoe, Rotherham

Offers Over £500,000

A MIXED RESIDENTIAL/COMMERCIAL SITE OF APPROX.  $\frac{3}{4}$  ACRE WITH A DETACHED 3 BED HOME, DETACHED BUILDING OF 2 DOUBLE GARAGES WITH WORKSHOP AND A 3 BED FLAT ABOVE, A DETACHED BLOCK OF 3 DOUBLE GARAGES ALL WITH ROLLER SHUTTER DOORS, A RETAIL UNIT, ADJOINING SHOWROOM, STORAGE UNITS/WORKSHOPS PLUS A FURTHER DETACHED BUILDING WITH 3 STOREROOMS AND WORKSHOP.

A mixed residential and commercial site extending to approx. ¾ acre with a delightful detached 3 bedroom family home with private gardens, a detached building of two double garages with large workshop with a two bedroom apartment above, a separate detached single storey block of 3 double garages all with roller shutter doors, a retail unit with adjoining showroom and storage units/workshops as well as a further detached 'L' shaped single storey building comprising three large secure storerooms and workshop.

The total internal square footage of all the buildings extends to approx. 8,000 { approx. 745 square metres }. Our floor plans reveal the full extent of the residential and commercial premises on offer.

The current owner has had two different plans devised for developing the site for additional residential property, which we are informed has been given an informal approval on a pre-planning application. The site also offers tremendous scope to be used for a business owner to live on site and operate their own business and utilise the extensive outbuildings for their business which are of substantial and solid construction. The site is enhanced as it has two separate secure gated driveway entrances, allowing the site to be split if required. All the aforementioned buildings are wrapped around an extensive hardstanding courtyard which has excellent turning area for large vehicles and parking for numerous cars, vans and trucks. The site also has enclosed dog pounds to enhance the already secure premises and site.

We are informed the site is freehold, on two different title deeds and has no upper chain.
